Live 4-Day Adilas Training & Workshop

Get away from the craziness of life. Take in a 4-day adilas live training event and workshop.

Who:

We welcome all users, existing clients, prospective clients, reps, consultants, developers, and other interested parties. Come get training from the founders of adilas.biz.

What:

The focus of this workshop is “Ground Zero and Up”. We’ll start with a demo, move into core concepts, show some new and upcoming features, highlight some key stepping stones, and then break into many of the features, tools, processes, and procedures. We have scheduled lots of time that allows you to ask your questions, get into the application, and do some quality and dedicated practice time. The goal is to help and enable you to build your own world using adilas tools and features.

How Much:

\$100 per person per day with lunch provided at the venue. Seating is limited and may be reserved through the adilas ecommerce site. There are seats for up to 40 live participants and 50 online (GoToMeeting) seats.

To book your seat, Go to:
<https://www.adilas.biz/shop/adilas>

Where:

Come to the beautiful mountains of Denver, Colorado. We are going to be at the La Quinta Inn and Suites in the Denver Tech Center. The La Quinta Inn has a really nice meeting and conference room that fits up to 45 participants. Lunch will be provided at the venue each day of the event. Bring your own laptop and/or device if you want to follow along.

La Quinta Inn and Suites, 9009 E Arapahoe Road, Greenwood Village, CO 80112. (close to the junction of I-25 and East Arapahoe Road – Denver Englewood Tech Center).

Phone: 303-799-4555

When

4-day training event - Tuesday, Sept. 11th, 2018 through Friday, Sept. 14th, 2018. Class times will be from 9 am to 5 pm.

A fully daily breakdown & schedule may be downloaded from:

https://www.adilas.biz/denver_training_sept_2018.pdf

Why:

Our goal is to share and help you build on what you have. If you don’t have much, by way of a system, we can offer almost an entire business platform and customizable solution. If you already have a bunch of the pieces, we would love to add to them.

The word “adilas” is an acronym for “all data is live and searchable”. We are a web-based hosted solution. In modern language, this is commonly known as “Cloud-Based”, “eBusiness”, or “SaaS” (Software as a Service). We are a “Virtual Data Portal” to help businesses with sales, inventory tracking, POS (point of sale), CRM (customer relationship management), online expense tracking, BI (business intelligence), payroll, timecards, scheduling, backend office, accounting functions, and much more.
